

School Council Meeting

1.10.25

1. Getting to know each other

To help us to learn each other's names, each School Councillor introduced themselves and gave an interesting fact about them.

2. School Council Badges

The School Council badges were given out and Mrs Dawson demonstrated how to ensure these are securely pinned to school uniform.

Actions: School Councillors agreed to take care of their badges, and ensure they are fitted correctly (especially when removed for washing).

3. House Bears

Mrs Dawson asked the children to think about how we could relaunch SRS Houses, especially how we can use the bear mascots. The children had many ideas including:

- Quietest classes earn house points which could be rewarded with extra play
- The class with the most house points looks after the bear
- Mr Mallender could deliver the bears on a Monday

Actions: School Councillors need to talk to their class and gather more ideas before the next meeting.

4. Photographs

Mrs Dawson took individual photos of each School Councillor. These will be displayed outside the Main Hall so that everyone knows who the School Council are. A group photo was also taken for the newsletter so that the parents and carers are aware that we have a new School Council.

Actions: Mrs Dawson will add the photo to the School Newsletter and put up the display in time for Parents Evening.

AOB -

There was a discussion about the possibility of a healthy tuck shop.

We also discussed the new outdoor classroom, and the possibility of using it for our meetings.

Next meeting: Autumn term 2
